

Monrovia Reads Projects

Read Across Monrovia

- Community volunteers read to children at all the local public elementary schools in Monrovia.
- The read-ins are held in March and October.

New Book Distribution

- Distributed primarily to families with children in lower socio-economic status because many of these homes have little or no reading material.
- Books are distributed at Unity Foothill and City events.

Book Set Mini-Grants

- Class sets are given to classes at the middle schools and high school.
- Books are literature selected by teachers when lack of funding in the school budget prevents purchase.
- Students keep their own paperback for their personal libraries.

Partnerships
